NLH 48	26/6/24	Wed	4 – 5 pm	After completing this activity, students will be able to demonstrate their knowledge of market research by: • Conducting a market survey of one or two bhasmas in a particular city. • Collecting and documenting information about the market demand for the bhasma, such as the price, the dosage, and the frequency of use. • Analyzing the data collected to determine the market trends for the bhasma. • Communicating their findings in a clear and concise way, including a presentation to the class. Method of Activity: 1.The students instructed to visit Ayurvedic drug store and collect information as given in the format. 2.Students need to be divided into 4 to 5 groups. Each group need to be given 1 to 2 drugs. (Every year different drugs are to be allotted to avoid repetition.) 3.Each group has to visit one to two Ayurvedic drug stores. Number of stores can be increased based on number of drug stores in the city or around the city.(based on information of online survey) After collecting information students have to submit survey forms to department	D	CO1,CO2, CO3	PO1,PO2,P O3,PO4	K	Level 1,2 & 3	Dr. VBK
